With Atlas Car, you get the ideal combination of quick shipping and technical know-how. That's why so many customers have come to depend on us for all of their rail equipment needs.

Look to Us for Scenic Railroad & Railroad Museum Car Parts and Rebuilds

Two of America's favorite pastimes are riding scenic railroads and visiting railroad museums.

To make sure that your cars always operate safely and maintain their historical integrity, let Atlas Car supply replacement parts and handle your rebuilds with:

- > Coupler Pockets
- > Lock Lifts, Throwers
& Knuckles
- > Sharon 10 and 10A Couplers
- > Trucks
- > Wheels
- > Willison Couplers
- > Willison Reduced Couplers

Our quality of workmanship, turn-around time and deep appreciation of railroading's rich history make us uniquely qualified to help you give your guests memories that last a lifetime.
